**of Correction**

Commissioner for Patents

Sir:

In proofreading the above-identified patent as printed, the following error was noted:

Column 3, line 57, "is side" should read --is a side--.

Since this error does not appear to affect the sense of the text, a Certificate of Correction is not believed necessary. It is requested, however, that this letter be included with the official application file for record purposes.

Respectfully submitted,

HERBERT J. HEDBERG ET AL.
